## referee indicators

- Employment
- Compliance Certificates
- Level Technology
- Resilience effect on comp
- Network created
- Expert employment
- Supply chain SME development
- Multi-actor effect
- internal investment/operating income
- external investment/internal inves.
- First time cooperation
- Short term cooperation defined
- Long term cooperation defined
- Prior cooperation many times
- Transfer of documentation
- Transfer by experts
- Creation of foreground
- Dissemination peer-peer
- HR capacity in receiving company
- Cross functional teams
- Cooperation Encouraged
- Tacit rewards
- Financial non innovative ideas
- High-scale production potential
- New business creation potential
- Future planning & cooperation
- New contract before expiration
- Tech support & improvement
- Profits/Investment
- Prevention purchase of tech
- Direct operating cost savings
- Indirect operating cost savings
- Increased operational costs
- Technical trainings
- Maintenance trainings
- Field trainings
